

Dear Sponsor,

Our annual Mardi Gras fundraiser is just around the corner! It will be held on **Saturday, February 18, 2012**. St. Kieran School has served Chicago Heights and the surrounding suburbs for over 50 years. With the help of the PTN (Parent Teacher Network), we have been able to enhance the education of our students with expansive programs, field trips, learning software and upgrades to the school, just to name a few things.

Mardi Gras is the largest fundraiser at St. Kieran School and would not be possible without the generous help of our families and surrounding community. Plans are underway to host this adult evening gala which will feature entertainment, cajun food, hurricanes, a dessert buffet, and raffles. This event is promoted to school parents, parishoners and the surrounding community with fundraising targeted at \$10,000.

Much of the funds raised are through local businesses and families. We also seek donations for our basket raffle table which is one of the primary draws to the event. In the past, these baskets have contained tickets for the Chicago Bulls, Southwest Airlines tickets, signed sports memorabilia, a \$200 spa gift certificate, and many restaurant gift certificates, all which were donated through local businesses and corporations.

We are asking for your support by seeking donations (i.e., gift certificates, gift cards, etc.) for our raffle table. Any contribution is greatly appreciated.

We will be honored to acknowledge your business in our evening's program, as well as, encouraging our church and school families to patronize your business.

Thank you for your continued support. Your generosity is greatly appreciated by the students and staff of St. Kieran School.

Sincerely,

Barb Pappalardo
Vice Principal / PTN President

Anthony G. Simone
Principal
